

## Mathews John - Nursing Student

Miqlat's Malawi administrator, Sally Fox, (Mum) received this letter and progress report from a student who has been in the Orphan Care program from his childhood, Matthews John is now a nursing student in one of the local colleges. With the Lord's provision through Miqlat and his sponsors, Matthews is now in his second year of a three year program. He has persevered through many struggles and hardships to pursue his dreams of becoming a nurse in order to help his people. We pray you will be encouraged by his words and his heart for blessing others.

I thank God for what he has done for me, I also thank you Mum, and my sponsor at America for great work they are doing.

1. My vision: is to finish nursing education up to high level, to help sick or well people in the hospital or in the community, to help need people in the every where I will stay.
2. My worries: when I will break through. How best to achieve my goals.
3. My dreams: to be a better nurse, to help need.
4. My plan: is to help young people in Miqlat with CAREER COUNSELLING, AND TEACH THEM HOW BEST THEY CAN MAKE IT. AND ALSO HELP THOSE IN SECONDARY SCHOOL BY PROVIDING FREE PART TIME DURING MY HOLIDAYS SO WE THAT THEY CAN MAKE IT.
5. My pray: may God help you Mum, my sponsors, may God help me to do it.

**Prayer Request:**  
May God help you do it Mathews John.
